

PwC Foundation On Board

The PwC On Board programme connects our people to not-for-profit board opportunities. PwC On Board aims to provide support to our people across the firm who would like to secure a board or advisory role with a not-for-profit (NFP).

This programme helps bridge the gap between corporate NZ and the NFP sector, growing future-ready governance capability while supporting today's boards. Ensuring succession planning and enhancing governance practices for high-performing board. This programme is a very practical way of bringing our firm's purpose to life to build trust in society and solve important problems.
