Looking to migrate to New Zealand? We can help you determine which visa pathway supports your personal goals and objectives.

**Investors**

The Investor Category (Investor 1 and Investor 2) is for migrants who wish to obtain New Zealand residence and have funds to invest. The minimum investment amount under the Investor 2 category is $3 million NZD.

**Skilled Migrants**

If you are skilled, have qualifications, relevant work experience and a New Zealand job offer, you may qualify for residence under the Skilled Migrant Category.

**Entrepreneurs**

The Entrepreneur category is for those who have experience with business and wish to own and run a business in New Zealand as a pathway to residence.

**Join family in New Zealand**

If your partner is a New Zealand citizen or resident visa holder, you may be able to apply for a work visa or residence under the Partnership category. Parents of New Zealand citizens or resident visa holders with funds to invest in New Zealand may be eligible for residence under the Parent Retirement Category.
