

Liquidators' First Six Monthly Report for Ruapehu Alpine Lifts Limited (In Receivership and In Liquidation) - (the Company)

Company Number: 8273

Company NZBN: 9429040950211

Introduction

As you may be aware, Richard Nacey and John Fisk were appointed joint and several Voluntary Administrators of the Company on 11 October 2022 pursuant to section 239I of the Companies Act 1993 ("the Act").

The Watershed Meeting of Creditors to decide the Company's future was held on 20 June 2023. The outcome of the meeting was that neither a resolution to execute a Deed of Company Arrangement, or a resolution to appoint a Liquidator was passed. As a result, control of the Company was returned to the Directors, and the Voluntary Administration came to an end.

Prior to the Watershed Meeting, the Directors of the Company filed an application in the High Court (to be heard after the Watershed Meeting), to place the Company into liquidation if neither the resolution to execute a Deed of Company Arrangement, nor the resolution to place the Company into liquidation were passed at the Watershed Meeting. The reason for the application was that the Company was insolvent (with liabilities significantly exceeding the realisable value of its assets) and the Company had insufficient cash to pay its debts as they fell due. The funding available to the Administrators to trade the Company was not available to the Directors, and the Company would not have any other source of funding. The best course of action available to the Directors was to have the Company placed into liquidation.

The Company was placed into liquidation by the High Court at Auckland pursuant to section 241(2)(c) of the Act at 10:09 am on 21 June 2023. Richard Nacey (Insolvency Practitioner Registration No. 69) and John Fisk (Insolvency Practitioner Registration No. 18) were appointed joint and several Liquidators.

Restrictions

This report is based on information currently available to the Liquidators and is subject to the Restrictions in Appendix A. Liquidators' reports are sent out one month after the appointment of Liquidators, once every six months and upon completion of the liquidation.

Statement of Affairs

Attached as Appendix D to this report is the statement of affairs for the Company as at 21 July 2023 (together with a list of all known creditors at that date, at Appendix G) that were previously provided with our first report to creditors.

An updated statement of affairs as at 20 December 2023 is provided at Appendix D. A statement of receipts and payments to 20 December 2023 is provided at Appendix B. A summary of the Liquidators fees and expenses paid in the period to 20 December is included at Appendix C.

Conduct of the liquidation in the Preceding Six Months

Shortly following appointment the Liquidators determined that the best outcome for creditors was likely to be a sale of the business and assets of the Company as a going concern. In order to preserve the value of the business, the Liquidators made the decision to continue to trade the business through the 2023 winter season while a sales process was carried out.

The Liquidators wrote to all creditors of the Company, advising of the appointment, and advising of the Liquidators intention to continue to trade the business. Employees of the Company were advised of the liquidation appointment, and the terms of their employment contracts updated to reflect the liquidation appointment. The Liquidators also oversaw the recruitment of a number of staff by the Company to enable operations to continue over the winter period.

The Liquidators filed a public notice of the appointment, and filed the Liquidators First Report. The Liquidators have also ensured they remain in compliance with their statutory obligations, and their obligations to the Inland Revenue Department. Furthermore, an independent assessment of compliance with relevant Health and Safety legislation and best practice was carried out on instruction of the Liquidators, and frequent Health and Safety reporting has been undertaken, as well as active management of any Health and Safety risks.

On appointment, the Liquidators did not have access to any funds to continue to trade the business. As such, a request for funding was made to Crown Regional Holdings Limited (“CRHL”), who agreed to provide a facility to the Liquidators of \$5.0m. This facility was provided to allow the Liquidators to trade the business through the 2023 winter season, to pay the outstanding Voluntary Administrators fees and expenses, and to make repayment to ANZ Bank New Zealand Limited (“ANZ”) for a portion of funds borrowed during the Voluntary Administration period. The Liquidators made an initial drawdown of \$3.0m against this facility shortly following appointment. Following the appointment of Receivers of the Company, the remaining \$2.0m was drawn down and paid to the Receivers, on the instruction of CRHL.

The Liquidators traded the business through the 2023 winter season, operating both the Whakapapa and Tūroa ski fields with top to bottom skiing at both ski areas. While the 2023 season was still ongoing, the Liquidators commenced preparations for the 2024 summer maintenance programme, which included placing indent orders for replacement lift parts for the Movenpick and Park Lane lifts at Tūroa.

In July 2023 the Liquidators commenced a sales process for the business and assets of the Company, seeking bids from interested parties and allowing those parties to undertake due diligence. Prior to completion of that process, CRHL made the decision to acquire the debt and security held by ANZ, and to then appoint Receivers to the Company.

Receivership

Brendon Gibson and Neale Jackson of Calibre Partners were appointed Receivers of the Company on 27 October 2023 by CRHL. The effect of the Receivership was that the Receivers assumed control of the sale process for the business and assets of the Company, and the trading operations of the Company, including preparations for the 2024 winter season. As Liquidators we have worked constructively with the Receivers to effect a smooth transition of operations to the Receivers, for the benefit of all stakeholders.

Following the appointment of Receivers, payment of \$2.5m was made to the Receivers by the Liquidators during the period covered by this report. This payment comprises funds subject to CRHL's security. A further payment of \$0.5m was made to the Receivers subsequent to the period covered by this report.

In addition to the payments above, the Liquidators drew down \$2.0m that was remaining in the facility provided by CRHL (on the instruction of CRHL), with this amount paid to the Receivers.

The security held by CRHL (and previously ANZ) did not include the Sky Waka gondola. The Sky Waka was, in part, funded through the sale of Tourism Infrastructure Bonds to local iwi, Taupō District

Council, community trusts and private entities. The holders of these bonds retain security over the Sky Waka (although not the proceeds generated from its use). To enable the Receivers to continue to trade the business, the Liquidators reached agreement with the Receivers to allow them to continue operating the Sky Waka, albeit with relevant oversight of the Liquidators.

Other potential avenues for recovery

We will investigate the actions of the Directors and the affairs of the Company to identify if there are any insolvent transactions, avenues for recovery or breaches of law which we may refer to the authorities for further investigation.

If you have any information that you believe would lead to realisations for the benefit of creditors, please send us detailed evidence for our consideration.

Updated Interests Statement

An updated Interests Statement pursuant to section 255(2) of the Act is attached.

Liquidation Committee

A creditors meeting was held on 31 July 2023 by postal ballot, where creditors voted on the following two resolutions:

- Resolution 1 - It is resolved that the appointment of John Howard Ross Fisk and Richard John Nacey as Liquidators of the Company be confirmed.
- Resolution 2 - It is resolved that, subject to meeting the minimum threshold by number of members, a liquidation committee be appointed in respect of the Company to act with the Liquidators, comprising the seven nominees for membership of the liquidation committee ("nominees") which receive the most votes (or, if less than seven nominees receive votes, the nominees which receive votes).

Both resolutions were passed. John Fisk and Richard Nacey were confirmed as Liquidators of the Company, and a liquidation committee formed. The elected members of the liquidation committee were as follows:

- Sam Clarkson (representing life pass holders)
- Robert Krebs (representing life pass holders)
- Jason Platt (representing life pass holders)
- Roger Boyd (representing life pass holders)
- James Fisher (representing employees)
- Peter Bayne (representing employees)
- Romay Rundgren (representing trade creditors)

During the period covered by this report Romay Rundgren and James Fisher resigned from the liquidation committee. Peter Bayne resigned from the liquidation period subsequent to the period covered by this report.

The Liquidators have attended liquidation committee meetings when requested. The Liquidators have also received a number of requests for information from the liquidation committee, and have either provided access to relevant information or offered to provide access to relevant information where that information is available, not commercially sensitive, and not subject to non-disclosure agreements entered into by the Liquidators.

Current and Pending Proceedings

Worksafe Proceedings

As at the date of liquidation, the Company was subject to proceedings commenced by WorkSafe New Zealand in relation to two charges under the Health and Safety at Work Act 2015 following an incident that occurred in 2018, prior to the Liquidators appointment (or their prior appointment as Voluntary Administrators). The Company was sentenced on 23 August 2023, with the Company convicted and ordered to pay reparation to the victims. The costs of the reparation were met by the Company's insurers.

The liquidation committee proceedings

The liquidation committee issued proceedings against the Liquidators on or around 12 December 2023 (with service occurring on 15 December 2023, and an amended application being filed on 20 December 2023). The orders sought by the liquidation committee can be summarised as follows:

- that the legal fees necessarily incurred now and in the future by the liquidation committee be recognised as a preferential payment under clause 1(1)(d) of the 7th Schedule of the Companies Act, and that the Liquidators be directed to make payment of the liquidation committee's legal fees from funds held by the Liquidators;
- that the Liquidators disclose a range of information to the liquidation committee;
- that the Liquidators not pay any further sums to the Receivers; and
- orders to enforce the Liquidators' duties.

The orders sought by the liquidation committee are opposed by the Liquidators, and any allegations of breach of duties are not accepted.

Shortly following the filing of the proceedings by the liquidation committee, the Receivers and the Liquidators of the Company filed proceedings seeking orders that:

- the liquidation committee does not have a claim in respect of the funds held by the Liquidators in priority to CRHL, and that the Liquidators are entitled to make payment of the funds at the direction of CRHL.

Subsequent to the period covered by this report, on 24 January 2024, both proceedings were considered by the High Court. The High Court granted priority and urgency to the proceedings filed by the Receivers and the Liquidators, which is set down for hearing on February 8, 2024.

Liquidators' remuneration

A breakdown of the Liquidators fees and expenses paid in the period covered by this report is included at Appendix C. Fees are charged on an hourly basis at the following rates and staffing levels, which were submitted to the Court before our appointment.

Staffing level	Hourly rate (excl GST)	General experience and qualifications for this level
Liquidator and Director	\$485 - \$550	Licensed Insolvency Practitioners with a vast range of industry knowledge and experience. Has at least 10 years of experience in complex insolvency engagements. Often a Chartered Accountant or admitted barrister and solicitor of the High Courts of New Zealand.
Associate Director	\$395 - \$485	Insolvency specialist with at least five years of insolvency experience.
Manager	\$315 - \$385	Insolvency specialist with at least four to five years of insolvency experience.
Senior Associate	\$250 - \$315	Insolvency specialist with at least two to three years of insolvency experience.

Associate	\$190 - \$250	Insolvency specialist with up to two years insolvency experience.
Support Staff	\$140	Skilled in administration and process management. Experienced in working with insolvency related files.

A service fee of 5% of our total fee is also charged to cover our costs in respect of photocopying, postage, tolls, filing fees, stationery, and couriers.

At this stage it is not currently possible to estimate the likelihood of a distribution to creditors, and any distribution to creditors is going to be reliant on the outcome of the sales process being conducted by the Receivers.

It is not currently possible to estimate a completion date for the liquidation.

Notes

- 1 Book value is based off the Company's management accounts as at 11 October 2022.
2. The receivers are now undertaking the sale of the business and assets, so the Liquidators are not in a position to provide an estimated realisation.
- 3 Estimated to realise general secured creditor debt includes lending made to the Company by CRHL and ANZ during the Voluntary Administration and Liquidation, less any repayments made. Amount also includes \$13.5m debt to Bondholders in respect of the Sky Waka Gondola.
- 4 Book value is based off the Company's management accounts of inventory on hand as at 21 June 2023. Liquidators have sold \$377k (at cost) through trading during the winter 2023 season. Residual inventory is controlled by Receivers as preferential claims have been paid in full.
- 5 Funds held in the bank account on day of appointment were secured to CRHL and ANZ or subject to preferential claims by the voluntary administrators.
- 6 Book value is based off the Company's management accounts of accounts receivable as at 21 June 2023. The liquidators collected these amounts in full.
- 7 As confirmed in the Court Order placing the Company into liquidation.
- 8 Employee preferential entitlements of \$663k were paid in full by the voluntary administrators.
- 9 Proof of Debt received upon our appointment as liquidators. Inland Revenue has received a full distribution of its preferential claim.
- 10 This is a contingent liability, and based on the valuation undertaken by the voluntary administrators.
- 11 This amount excludes any potential or contingent claim from the Department of Conservation (DoC) for remediation costs that DoC may claim pursuant to the concession agreements with the Company.

Updated Interests Statement

Pursuant to sections 255A and 255(2)(d)(ii) of the Companies Act 1993

We refer to the Declaration of Independence, Relevant Relationships, Indemnities and Interests Statement dated 21 July 2023 and attached as Appendix D to our first report to creditors of the Company (the Declaration).

We have not become aware (at any time since the Declaration was provided) of any circumstance, relationship, or other fact that creates, or could reasonably be perceived as creating, a conflict of interest for us in relation to the independence of our role as liquidator, including anything that would, but for a court order to the contrary, have disqualified us from:

- (i) being appointed as or acting as liquidators; or
- (ii) being licensed insolvency practitioners.
