(Collectively the "Ross Group")

Pursuant to Section 24 of the Receiverships Act 1993

Reporting Period: 6 November 2015 to 5 May 2016

Introduction

We, John Howard Ross Fisk and David John Bridgman, Chartered Accountants of Wellington and Auckland respectively were appointed receivers of certain entities pursuant to orders of the High Court at Wellington dated 6 November 2012, following an application made by the Financial Markets Authority (“FMA”) under the Financial Advisers Act 2008 (subpart 4). The entities to which we were appointed on 6 November 2012 are:

- Ross Asset Management Limited
- Bevis Marks Corporation Limited
- McIntosh Asset Management Limited
- Mercury Asset Management Limited
- Dagger Nominees Limited
- Ross Investment Management Limited
- Ross Unit Trusts Management Limited
- United Asset Management Limited
- Mr David Robert Gilmour Ross
- The Woburn Ross Trust
- The Chapman Ross Trust

Following our report to the Court as receivers of the above Group dated 13 November 2012, the FMA sought and obtained further orders on 14 November 2012 that the orders made by the High Court appointing receivers on 6 November 2012 be extended to include the following possible entities:

- Ace Investment Trust
- Ace Investment Trust Limited
- Ace Investments Limited
- Ross Unit Trust
- Ross Unit Trust Limited
- Vivian Investments
- Vivian Investments Limited

This was on the basis that David Ross appeared to have trading accounts in these names. These do not appear to be companies incorporated in New Zealand or Australia. The appointment of receivers to David Ross includes his capacity as a trustee and accordingly any interest he may have in two trusts he controls, being the Woburn Ross Trust and the Chapman Ross Trust.

On 17 December 2012 the following companies were placed into liquidation pursuant to section 241(2)(a) and 241(2)(c) of the Companies Act 1993. John Howard Ross Fisk and David John Bridgman are the appointed liquidators:

- Ross Asset Management Limited
- Bevis Marks Corporation Limited
- McIntosh Asset Management Limited
- Mercury Asset Management Limited
- Dagger Nominees Limited
- Ross Investment Management Limited
- Ross Unit Trusts Management Limited
- United Asset Management Limited

As a result of the liquidation of the above companies the Court ordered the end of the receiverships of those companies on 5 March 2013. A final report on the receiverships of those companies has been filed. Accordingly they are not dealt with in this report.

As a result of a settlement reached between the trustees of the Chapman Ross Trust, the Woburn Ross Trust, Ross Asset Management Limited (In Liquidation), David Ross and Jillian Ross, the receiverships of the Chapman Ross Trust and the Woburn Ross Trust ended on 28 March 2014. A final report on the receiverships of those trusts has been filed. Accordingly they are also not dealt with in this report.

The effect of our appointment is that we have assumed control of the Ross Group and are provided with various powers to manage the affairs and assets of the Ross Group.

This report has been prepared by us in accordance with and for the purpose of Section 24 of the Receiverships Act 1993 ("the Act"). It is prepared for the sole purpose of reporting on the state of affairs with respect to the property in receivership and the conduct of the receivership.

This report is subject to the restrictions set out at Appendix A. In particular, all information contained in this report is provided in accordance with Sections 26 and 27 of the Receiverships Act 1993. Furthermore, in preparing this report we have relied upon and not independently verified or audited information or explanations provided to us.

Our last report on the receivership was dated 11 January 2016 and covered the period 6 May 2015 to 5 November 2015.

Property disposed of since 5 November 2015

The purpose of the receivership is to preserve assets pending further investigations into the affairs of Ross Asset Management Limited (In Liquidation) ("RAM") and to subsequently determine whether any of those assets are available for parties who had monies invested with RAM. We detail below property that has been disposed of during the period.

Share Portfolios

Since the date of our last report there have been no further share realisations. There have, however, been some small further distributions from various of the Ross Group Companies, being the proceeds of sale of shares which David Ross has claimed to be held for him personally.

Household Chattels

Since the date of our last report a further \$380 before sales costs has been received. The proceeds are payable to RAM as reparation for the misappropriation of investor monies and investments. It is not anticipated that there will be any further chattel realisations of significance.

Proposals for disposal of receivership property

Share Portfolios

A small number of shares still remain to be dealt with, however, they are registered in overseas jurisdictions and there is some difficulty in arranging their sale, in a number of instances due to a lack of complete documentation such as share certificates. The receivers are working with overseas brokers and registries to see what steps can practically and economically be taken to achieve the sale of these shares. Some progress has been made during this period although no further sales have yet been completed. The shares are likely to have a value of no more than \$25,000 in aggregate, although ultimately their value may be nil. The receivers are attempting to ensure that the costs of time spent dealing with this matter does not outweigh the value of the shares.

Amounts likely to be available for payment to creditors

As noted above the purpose of the receivership is to preserve assets pending further investigations into the affairs of RAM and to subsequently determine whether any of those assets are available for parties who had monies invested with RAM. Accordingly any payment of creditors is subject to Court approval. As noted in our previous reports a settlement agreement has been reached which allows assets owned by the Ross Group to be made available for the creditors of RAM.

David Ross was adjudicated bankrupt on the petition of the BNZ on 28 July 2015. Shortly after the period covered by this report the Financial Markets Authority had its asset preservation orders removed by the High Court. The receivers will wait until the final share assets above have been dealt with and then retire from the receivership of all entities.

Receipts and payments

We attach, as Appendix B, statements of receipts and payments in the receiverships for the period of the receiverships, being 6 November 2012 to 5 May 2016.

Dated: 5 July 2016
