Introduction

The Ross Group Companies were placed into liquidation on 17 December 2012 and John Howard Ross Fisk and David John Bridgman are the appointed joint and several liquidators. The appointments are pursuant to sections 241(2)(a) and 241(2)(c) of the Companies Act 1993 (“the Act”). More specific details in relation to the appointments are contained in our previous reports to creditors.

This report covers the period 17 June 2019 to 16 December 2019.

Some of the information contained in this report has previously been reported in updates to investors and creditors during the period. These updates are available on our website <https://www.pwc.co.nz/services/business-recovery/liquidations/ross-group.html>

Restrictions

This report has been prepared by us in accordance with and for the purpose of section 255 of the Act. It is prepared for the sole purpose of reporting on the state of affairs with respect to the Ross Group Companies in liquidation and the conduct of the liquidations.

This report is subject to the restrictions set out at Appendix A. In particular, all information contained in this report is provided in accordance with section 255 of the Act. Furthermore, in preparing this report we have relied upon and not independently verified or audited information or explanations provided to us.

Conduct of the liquidation in the Preceding 6 Months

We set out below a review of matters dealt with since our last report:-

Final Distribution

We confirm a further final dividend was paid to investors and unsecured creditors of 5.2 cents in the dollar on 4 November 2019 bringing total distributions to 19.5705 cents in the dollar. No further distributions are anticipated.

There remains approximately \$364,000 of unclaimed distributions from the first interim distribution and the final distribution, comprised of approximately 40 investors. Any investor who has not received their first interim or final distribution should contact us at receiverships@nz.pwc.com to arrange verification of their claim.

Shares held

There have been share realisations totalling \$26,468 within the period covered by this report. There are some further shares to be realised, although it remains uncertain whether they can be realised. We continue to examine options to progress share realisations in a cost effective manner to ensure all assets are appropriately dealt with. We would not anticipate sufficient further realisations to warrant the cost of a further distribution.

Clawback from Insolvent Transactions

All clawback claims have now been settled with all clawback payments having been made. In total 206 investors settled the clawback claims which the liquidators had brought against them. Settlements with investors total \$25.73m.

Other matters

A class action is underway by a group of investors against the ANZ Bank on the basis they consider ANZ should have taken steps which would have potentially brought the Ponzi Scheme to an end sooner. We understand the opportunity to join the class action has now closed, however, any enquiries should be directed to ram.admin@mc.co.nz.

Following a hearing on 5 December 2019 the Parole Board released a decision on 13 December 2019 granting parole to David Ross. He is due to be released from prison on 24 February 2020. A copy of the Parole Board decision is available at

https://www.paroleboard.govt.nz/decisions/2019/david_ross_-_13122019

Statement of Realisation and Distribution

Attached as Appendix B are Statements of Realisations and Distributions for the period of the liquidations.

Excluding the unclaimed distributions referred to above the Liquidators held funds on hand as at 16 December 2019 of \$253,242.48. This was held in the liquidations as follows:

- | | |
|--|--------------|
| • Ross Asset Management Limited (in Liquidation) | \$250,996.29 |
| • Bevis Marks Corporation Limited (in Liquidation) | \$ 2,246.19 |

Liquidators' Fees

Liquidators' fees paid to date for the entire liquidation cover the following areas;

- 50% - investigation and litigation regarding clawback
- 30% - reviewing investor and creditor claims and distribution model and paying distribution
- 20% - all other matters dealt with during the course of the liquidation.

Note this list is not exhaustive and based on approximations, rounded to the nearest 5%, as time spent on some areas overlaps with other areas.

The legal fees which have been incurred in this liquidation reflect the complexity of the matters which have needed to be dealt with, particularly where those matters are without precedent so have required significant legal advice and legal proceedings

Please note section 284 of the Act below which states:

284 Court supervision of liquidation

- (1) On the application of the liquidator, a liquidation committee, or, with the leave of the Court, a creditor, shareholder, other entitled person, or director of a company in liquidation, the Court may—
 - (e) In respect of any period, review or fix the remuneration of the liquidator at a level which is reasonable in the circumstances:

Proposals for Completing the Liquidation

As directed by the Court the liquidators will remain in office for a further 12 months following payment of the final distribution to allow any investors who have not yet recovered their distribution to do so, following which any unclaimed distributions will be paid to the Unclaimed Monies account managed by Inland Revenue.

We will also take steps to ensure the ongoing storage and ultimate destruction of the physical records of the Ross Group Companies. There are significant records held and much of the funds currently held by the liquidators will likely be required to meet the cost of ongoing storage and destruction.

A further report will be issued in 6 months.
