## 1. Introduction

Colin McCloy and Maurice Noone were appointed receivers of OPI Pacific Finance Limited (In Receivership and In Liquidation) (**PAC** or the **Company**) by Perpetual Trust Limited (the **Trustee**) on 15 September 2009. The Company had been subject to a moratorium arrangement that was approved by creditors on 19 May 2008. The receivership ended that moratorium arrangement.

We were appointed under the terms of a security agreement giving the secured party a security interest over all of the assets and undertakings of PAC. The property in receivership comprises all of the assets, property and undertakings of PAC.

On 3 November 2011 Aaron Walsh and Andrew McKay of Corporate Finance Limited were appointed liquidators of PAC by the shareholders of PAC, OPI Pacific Limited (In Liquidation) (**OPL**). Justin Bosley replaced Aaron Walsh as liquidator on 6 July 2012. On 19 December 2014 James Greenway was appointed liquidator following the resignation of Justin Bosley. Andrew McKay was also the liquidator of OPL and other related New Zealand companies,. We note these related entities have now been struck from the Register of Companies. Placing PAC into liquidation does not affect the operation of the receivership or the rights of secured debenture holders.

This report provides an update of the receivership, the potential of returns for PAC investors and the receivers' investigations into the financial affairs of PAC in the period prior to receivership.

## 2. Events following appointment

As you are aware following our appointment as receivers we attended the offices of PAC to secure the books and records and we determined the most appropriate method of realisation of the assets. Our actions have included:

- Securing key assets;
- Contacting all borrowers and guarantors regarding the recovery of loans;
- Developing asset realisation strategies where applicable;
- Investigating potential claims in respect of the loan book and insurance policies;
- Providing updates and communicating with investors and the Trustee;
- Investigating the affairs of PAC;
- Crystallising PAC's security in respect of its loan to OPI Pacific Investment Pty Limited (**PIC**); and
- Attending various meetings held by the liquidators of Octaviar Limited (Receivers and Managers appointed) (In Liquidation) (**Octaviar**) and Octaviar Administration Pty Limited (In Liquidation) (**OCVA**).

At the commencement of the receivership of PAC, Colin McCloy and Maurice Noone were appointed as joint and several receivers. However, Mr Noone subsequently resigned as receiver of PAC on 8 May 2014. John Fisk of PricewaterhouseCoopers was appointed receiver of PAC on 8 May 2014. Colin McCloy resigned as a receiver on 7 December 2020.

We have also written to investors on 26 November 2009, 4 May 2010, 23 July 2010, 22 December 2010, 8 June 2011, 18 February 2013, 17 December 2013, 23 December 2014, 9 October 2015, 20 December 2017, 12 April 2018 and 30 September 2021.

### ***3. Particulars of assets and proposal for disposal of property in receivership***

#### *Loan assets*

As discussed in our previous reports the recorded loan assets of PAC and PIC have been realised by the receivers. No further material loan related recoveries are expected.

#### *Unsecured claims against Octaviar and OCVA*

As previously reported, substantial unsecured claims were lodged and formally admitted in the liquidations of Octaviar, the ultimate parent entity of PAC's related parties and its subsidiary, OCVA.

In early 2021, two amounts totalling NZD4.73m were received from the liquidators of Octaviar and OCVA, with a further NZD2.97m received during the period covered by this report.

Following the distributions received above, we were advised disputes regarding two material creditor claims had been settled and that work is being undertaken to resolve remaining issues to enable completion of the administrations.

Further recoveries are anticipated from PAC's claims in the liquidations of Octaviar and OCVA once the liquidators complete their administration. We note that, in addition to the claims submitted by PAC, both Octaviar and OCVA have debts outstanding to other creditors, and the assets in these companies appear to be insufficient to meet all liabilities in full.

We will continue to correspond with the liquidators to obtain updates on progress and indications as to the level and timing of further amounts to be received by PAC.

## ***4. Particulars of debts and liabilities outstanding and requiring to be satisfied from the property in receivership***

### *Secured debenture holders*

At the date of the receivership, PAC's records indicated it owed NZ\$198.4m to secured debenture holders and NZ\$57.5m to unsecured note holders, predominately located in New Zealand and Australia.

During the receivership to 14 September 2021, interim distributions totalling \$27.9m had been made to secured debenture investors as follows:

- NZ\$4.35m on 22 December 2010;
- NZ\$4.05m on 18 February 2013
- NZ\$12.50m on 23 December 2014
- NZ\$3.10m on 9 October 2015; and
- NZ\$3.9m in April 2018.

Based on balances owing at the start of the Company's moratorium, , the total amount repaid to date is approximately 33 cents in the dollar.

Following the period covered by this report, a further distribution to debenture holders of approximately 3 cents in the dollar has been made as a result of the funds received from Octaviar and OCVA.

In addition, we continue to arrange redistribution to investors with unclaimed monies from all interim distributions as and when they are located or make contact with our offices.

The timing and extent of further distributions to PAC from OCVA and Octaviar remains uncertain. However, the updates provided by the liquidators indicates that proceedings are drawing to a close.

Due to the reliance on the outcome of the OCVA and Octaviar liquidations, it is not possible to estimate the final return to secured debenture holders from the receivership of PAC. As noted, we expect further recoveries from Octaviar and OCVA, albeit we are unable to confirm the timing and extent of these at present.

### *Preferential and other unsecured creditors*

We are not aware of any preferential claims. Given the estimated returns to secured investors, we have regrettably advised that there are unlikely to be any amounts available for payment to unsecured noteholders or other creditors.

## 6. Other matters

We carried out an initial investigation into the activities of PAC, its directors and third parties and reported our findings to the relevant Government Authorities.

We also assisted the Financial Markets Authority (**FMA**) with its investigation into the affairs of PAC and directors, and provided assistance with other related cases that the FMA was investigating.

In November 2013 the FMA laid charges against four directors of PAC. All four directors entered guilty pleas on various dates in August/September 2015 for charges in relation to the issuance of a prospectus containing untrue statements. They were sentenced to community service and ordered to pay reparations to PAC of A\$100k each. All of these amounts have been received.
