## 1. Introduction

Colin McCloy and Maurice Noone were appointed receivers of OPI Pacific Finance Limited (In Receivership and In Liquidation) (**PAC** or the **Company**) by Perpetual Trust Limited (**Perpetual**) on 15 September 2009. The Company had been subject to a moratorium arrangement that was approved by creditors on 19 May 2008. The receivership ended that moratorium arrangement.

We were appointed under the terms of a security agreement giving the secured party a security interest over all of the assets and undertakings of PAC. The property in receivership comprises all of the assets, property and undertakings of PAC.

On 3 November 2011 Aaron Walsh and Andrew McKay of Corporate Finance Limited were appointed liquidators of PAC by the shareholders of PAC, OPI Pacific Limited (In Liquidation) (**OPL**). Justin Bosley replaced Aaron Walsh as liquidator on 6 July 2012. On 19 December 2014 James Greenway was appointed liquidator following the resignation of Justin Bosley. Andrew McKay was also the liquidator of OPL and other related New Zealand companies,. We note these related entities have now been struck from the Register of Companies. Placing PAC into liquidation does not affect the operation of the receivership or the rights of secured debenture holders.

This report provides an update of the receivership, the potential of returns for PAC investors and the receivers' investigations into the financial affairs of PAC in the period prior to receivership.

## 2. Events following appointment

As you are aware following our appointment as receivers we attended the offices of PAC to secure the books and records and we determined the most appropriate method of realisation of the assets. Our actions have included:

- Securing key assets;
- Contacting all borrowers and guarantors regarding the recovery of loans;
- Developing asset realisation strategies where applicable;
- Investigating potential claims in respect of the loan book and insurance policies;
- Providing updates and communicating with investors and Perpetual;
- Investigating the affairs of PAC;
- Crystallising PAC's security in respect of its loan to OPI Pacific Investment Pty Limited ("PIC"); and
- Attending various meetings held by the liquidators of Octaviar Limited (Receivers and Managers appointed) (In Liquidation) ("Octaviar") and Octaviar Administration Pty Limited (In Liquidation) ("OCVA").

At the commencement of the receivership of PAC, Colin McCloy and Maurice Noone were appointed as joint and several receivers. However, Mr Noone subsequently resigned as receiver of PAC on 8 May 2014. John Fisk of PricewaterhouseCoopers was appointed receiver of PAC on 8 May 2014. Colin McCloy resigned as a receiver on 7 December 2020.

We have also written to investors on 26 November 2009, 4 May 2010, 23 July 2010, 22 December 2010, 8 June 2011, 18 February 2013, 17 December 2013, 23 December 2014, 9 October 2015, 20 December 2017 and 12 April 2018.

### **3. Particulars of assets and proposal for disposal of property in receivership**

#### *Loan assets*

As discussed in our previous reports the recorded loan assets of PAC and PIC have been realised by the receivers. No further material loan related recoveries are expected.

#### *Unsecured claims against Octaviar and OCVA*

As previously reported, an unsecured claim of c.AUD372m was lodged and formally admitted in the liquidation of Octaviar, the ultimate parent entity of PAC's related parties.

In late 2020, the liquidators of Octaviar and OCVA advised that further interim dividends would be paid. Two amounts were received of \$1,860,784 and \$2,872,281..

Further recoveries are anticipated from PAC's claims in the liquidations of OCVA and Octaviar once the liquidators complete their administration. Following the distributions received above, we were advised that one significant issue remained outstanding in the liquidation process, relating to the adjudication of two substantial creditor claims, the outcome of which has been disputed by the claimants. The liquidators have continued to work towards a negotiated resolution of this matter and we await a further formal update in this regard.

We note that, in addition to the claims submitted by PAC, both Octaviar and OCVA have debts outstanding to other creditors, and the assets in these companies appear to be insufficient to meet all liabilities in full.

We will continue to correspond with the liquidators to obtain updates on progress.

## ***4. Particulars of debts and liabilities outstanding and requiring to be satisfied from the property in receivership***

### *Secured debenture holders*

At the date of the receivership, PAC's records indicated it owed NZ\$198.4m to secured debenture holders and NZ\$57.5m to unsecured note holders, predominately located in New Zealand and Australia.

During the receivership to 14 September 2020, interim distributions totalling \$32.4m had been made to secured debenture investors as follows:

- NZ\$4.35m on 22 December 2010;
- NZ\$4.05m on 18 February 2013
- NZ\$12.50m on 23 December 2014
- NZ\$3.10m on 9 October 2015; and
- NZ\$3.9m in April 2018.

Based on balances owing at the start of the Company's moratorium, , the total amount repaid to date is approximately 32.9 cents in the dollar.

We are currently preparing to make a further distribution to debenture holders as a result of the funds received from Octaviar/OCVA and we will correspond with investors directly in this regard. The distribution is likely to be in the range of 2.4-2.9 cents in the dollar.

In addition, we continue to arrange redistribution to investors with unclaimed monies from the interim distributions as and when they are located or make contact with our offices.

The timing and extent of further distributions to PAC from OCVA and Octaviar remain uncertain. However, the updates provided by the liquidators indicates that proceedings are drawing to a close.

Due to the reliance on the outcome of the OCVA and Octaviar liquidations, it is not possible to estimate the final return to secured debenture holders from the receivership of PAC. As noted, we expect further recoveries from Octaviar and OCVA, albeit we are unable to confirm the timing and extent of these at present.

### *Preferential and other unsecured creditors*

We are not aware of any preferential claims. Given the estimated returns to secured investors, we have regrettably advised that there are unlikely to be any amounts available for payment to unsecured creditors.

## 5. Receipts and payments

The table below sets out the receipts and payments for the receivership of PAC to 15 March 2021.

## 6. Other matters

We carried out an initial investigation into the activities of PAC, its directors and third parties and reported our findings to the relevant Government Authorities.

We also assisted the Financial Markets Authority (“FMA”) with its investigation into the affairs of PAC and directors, and provided assistance with other related cases that the FMA is investigating.

In November 2013 the FMA laid charges against four directors of PAC. All four directors entered guilty pleas on various dates August/September 2015 for charges in relation to the issuance of a prospectus containing untrue statements. They were sentenced to community service and ordered to pay reparations to PAC of A\$100k each. All of these amounts have been received.

We also note that historically we have been utilising the services of Computershare in order to communicate with debenture holders, as well as make distributions. In order to reduce ongoing costs, we have brought this function in house. Please therefore contact us directly should any of your contact details or bank account details change.
