

# MyTax Guides

MyTax Guides is an add-on to the PwC Academy subscription and is an online, easy to use and understand, practical reference tool for GST, FBT, PAYE and KiwiSaver matters.

MyTax Guides are updated frequently to reflect current legislation and best Practise and are designed to be the first port of call for indirect tax questions within your organisation.

## Benefits of MyTax Guides:

- Comprehensive information covering a wide range of indirect tax issues relevant to your sector, including GST, FBT, PAYE and KiwiSaver topics
- A valuable addition to your organisation's tax governance framework, having received positive feedback from IRD when seen used by organisations
- Digitally enabled, easy to use resource to provide support to your finance team and wider staff
- Relevant, up-to-date information that can be easily understood and used by anyone in the organisation
- Economical, once subscribed there is no limit on the number of users who may access MyTax Guides

## MyTax Guides are particularly suited to:

- Organisations with no in-house tax expertise to provide support with common tax issues and upskilling.
- Organisations with in-house tax expertise looking for a low-cost information source for common queries, particularly those arising from Human Resources, Accounts Payable and cost centre managers.
- Any organisation wanting to raise tax awareness in the organisation as digital based tax guides make it easy for individuals within an organisation to access easy to understand information and training.
